Safety

When addressing high-rise services it is imperative that safety and training be the foremost important equation when servicing your investment. In addition to our founder and top managers being professional high-rise window cleaners by trade, all our staff members are highly knowledgeable in all aspects of safety, ranging from proper rigging and tie-backs to emergency self recovery. With our attention to detail and architectural awareness of building design, we know how to proceed with each project in a safe and efficient manner.

Commitment

We are extremely committed to our customers and offer more than just our services alone. Due to our efficient database and networked offices we are able to provide our customers fast up-to-date information. This ranges from daily service reports, photo reports and inspections of building surfaces to current pricing and quotes. Our customers questions, concerns and future service plans are readily available upon request.
